

**WASATCH  
COMMUNITY  
GARDENS**

## Internship Opportunity

For 30 years, Wasatch Community Gardens has provided Salt Lake County residents with gardening resources and education, enabling them to grow their own fresh produce in urban gardens and have access to healthy, organic, local food.

### What we do:

- Manage 16 community gardens, allowing nearly 500 individuals and families to grow their own fresh, organic produce.
- Provide opportunities for more than 1,200 youth, many of whom are from low-income families, to learn about growing and eating healthy food in our youth gardens.
- Offer 40 classes and hands-on workshops per year, educating more than 500 community members about growing and eating fresh, healthy food.
- Support school gardens at 10 Title I elementary schools, serving over 3,400 students.
- Provide employment and job training to women currently experiencing homelessness and single mothers at our Green Team Farm.
- Organize more than 1,200 volunteers who contribute over 14,000 hours of service annually.

### Process Management Internship

Unpaid – estimated 80-160 hours total, 4 - 8 hours per week  
Begins February 2020

Wasatch Community Gardens seeks an individual to assist our Job Training Program. This internship will revolve around the creation of a training and farm-processes outline to support our Green Team and Seeds of Success participants with easy integration into the farm-based job training program. This intern would be trained alongside our participants in most of the weekly processes of the farm and would be tasked with helping to create written training documents and informative signage that would be used at the farm

### Responsibilities will include:

- Attendance at our Job Training Farm located in downtown SLC 1-2 days a week
- Oversee the creation of a process guide
- Develop eye-catching informative signage
- Work with farm crew to increase organic gardening knowledge
- A written synopsis of your internship experience

### Qualifications:

- Must be at least 18 years of age
- Interest in local, organic gardening
- Strong writing/communication skills
- Have reliable transportation (private or public)
- Detailed oriented, self-motivated, and willing to learn

**\*\*Must be available for at least 4 hours, once a week, between Monday-Friday 10am-4pm\*\***

### To Apply:

Send a cover letter explaining your interests and background, and your resume via email with the subject line as "Process Manager Internship" to Amber Nichols, Volunteer & Outreach Director at [amber@wasatchgardens.org](mailto:amber@wasatchgardens.org)

Application deadline: open until filled.
