</thead>
</table>
| **RED**                | ● Extreme Precautions  
● Face Masks worn in public settings  
● In-Person interactions limited to individual households | ● Volunteers will only be utilized if necessary and only for projects that can be done independently or remotely without in-person staff support |
| **ORANGE**             | ● Gatherings allowed in groups of 20 or less  
● Maintain 6 feet away from others  
● Face Coverings worn in public settings  
● High Risk Individuals continue to follow “Red” recommendations | ● Volunteer groups up to 4 people allowed  
● Face Masks required for all participants  
● 6 feet of distancing between participants  
● Staff will disinfect all hand tools before and after use |
| **YELLOW**             | ● Gatherings allowed in groups of 50 or less  
● Maintain 6 feet away from others  
● Face Coverings worn in public settings  
● High Risk Individuals continue to follow “Red” recommendations | ● Volunteer groups up to 8 people allowed  
● Face masks required for all participants  
● 6 feet of distancing required  
● Staff will disinfect all hand tools before and after use |
| **GREEN**              | ● State recommendations for the Green Phase are not yet available | ● Volunteer groups up to 10 people allowed  
● Additional guidelines to be determined based on state recommendations |

**Additional Procedures**

- Individuals that are sick are asked to please stay home and not attend volunteer activities.
- Disposable Face Masks will be available for volunteers, although we recommend that volunteers bring their own facemasks.
- Gloves will be washed using hot water and dried using an electric dryer on high heat between each volunteer group.
- All tools will be sanitized using a bleach solution before and after each volunteer group.
- Guidelines will be reviewed with volunteer groups at the beginning of each session, with reminders during our time in the gardens.
- Due to the additional stress that working outside while wearing a mask brings, volunteer opportunities will be limited to 1.5 hours or less for each session for the health of all of our volunteers.
- Volunteers are asked to bring their own water and water bottle since we won’t be able to provide a community water cooler.
- All guidelines are subject to change as we continue to learn the best practices needed to keep our community safe and healthy.
