

**Wasatch Community Gardens
Strategic Plan Goals 2017 - 2019**

1. Ensure that programs and projects match staff and organizational capacity.
2. Prioritize community demand and participant diversity when considering new programs and projects.
3. Increase organizational and programmatic capacity to include diverse adult participants throughout our organization.
4. Effectively measure program impacts and outcomes.
5. Identify opportunities for CityGarden, our planned urban agriculture hub, to strengthen our programs and services.
