Youth Garden Program Sponsorship

Mid-February – mid-November

Wasatch Community Gardens offers three youth programs to the community. City Roots is our after-school program where we partner with social service agencies to provide garden-based education to primarily low-income children. City Sprouts is our summer camp program where we offer weeklong camps for children aged 4-12 for a fee (scholarships are available for 20% of qualifying attendees). Growing Greens is our field trip program where students in grades 3-6 visit our Grateful Tomato Garden to satisfy the Utah core curriculum requirement for nutrition. Our youth garden program classes are taught at our Fairpark Garden and our Grateful Tomato Garden on 800 South and 600 East. In particular, our Grateful Tomato Garden is in a high traffic location which allows for great visibility for sponsor banners.
