WCG Community Garden Director

Organization and Program Description:
Wasatch Community Gardens (WCG) is a community-based, nonprofit organization dedicated to empowering people to grow and eat healthy, organic, local food. Since 1989, we have provided children, adults, and families in Salt Lake County with access to land and education for growing and eating fresh produce, while building and nurturing community connections through gardening and healthy food. We accomplish this through four main programs: Community Garden, Community Education, Youth and School Gardens, and Job Training.

The purpose of the Community Garden (CG) Program is to cultivate community gardens in Salt Lake County, with a focus on low-income neighborhoods. Wasatch Community Gardens (WCG) partners with local government; community members; neighborhoods; schools; and social service, community, refugee and faith-based organizations to strengthen community gardens, link them through our Garden Leadership Network, and provide services and resources needed to ensure the long-term viability of these projects. The Community Garden Program is implemented in close collaboration with local government agencies, including Salt Lake County Parks and Recreation and Salt Lake City Parks & Public Lands.
